

## 10 years Belgian Banking Law

Thursday 25 April 2024 (9 am – 4 pm) @ Euronext Brussels

The Belgian Banking Law marks its 10th anniversary on 25 April 2024.

AEDBF-Belgium took this opportunity to examine how this fundamental law of Belgian banking and financial law has been implemented in practice. We invited practitioners who will share their insights with the AEDBF-audience on a selected series of topics.

*How effective and responsive were the regulations that came into effect ten years ago, in addressing the needs of financial institutions and their stakeholders? What has changed since then? What are the current issues that Banking lawyers need to focus on?*
