

The Impact of EU Sustainable Finance Regulation on Financial Institutions' Governance, Activities and Services

Friday afternoon
22 March 2024

Anticipating the publication of the Cambridge handbook on Sustainable Finance with contributions by top academics in this field, we organise panel discussions with authors of the handbook and practitioners-respondents.

The panels will deal with the impact of Sustainable Finance regulation on three trending financial law topics: governance of financial institutions, financial information and investment services.

VENUE

FSMA Auditorium in the rue du Congres 12/14 – 1000 Brussels

PARTICIPATION PRICE

EUR 80 (AEDBF members), EUR 110 (non-members)
Participants will receive a voucher granting a 30% discount on the price of the handbook, when used within a week after the conference.

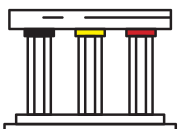

SUBSCRIPTION

Please fill out the subscription form available on www.aedbf.be

PERMANENT TRAINING

Requests have been introduced for certification of this program as permanent training for lawyers, inhouse lawyers and compliance officers.
